Subject: Re: Reminder (& New Version) Review by COB April 1: Draft Cover Letter to Oregon on Closing the Gap (Action Item from Oregon CZARA Mgrs Mtg)

Thanks Jayne and everyone,

As a quick update, Dennis sent a message to Whitman this afternoon and enclosed the Closing the Gaps document, with the hope of reconnecting next week to facilitate finalizing that document. We let Dennis and Will know that we're working on a transmittal letter and gave them a quick nutshell of what's included in the draft. They seem to both be on board with the official transmitting of the document to the State in the near term, and also get/understand the need for a letter back from the state (also in the near term) expressing a level of commitment on forestry. Hopefully they can get on the phone with Whitman next week to get things moving again.

Thanks, J.

Hi All,

This is a gentle reminder to provide your comments ideally by COB on April 1. I have attached a revised version that incorporates both Jenny and Allison's revisions so use this version if you have not yet started your review.

Thanks!

Dennis and Will, I understand that you will be sharing the "Gaps" document with the State sometime next week. I cleaned up the latest version that had Will's comments as of yesterday and made a few more tweaks. Attached is a clean version of the document dated 3/26/2015 to share with the State. Would appreciate hearing from you when the document is transmitted to the State.

Please let me know if you have any questions. Thank you.
